

REMARKS/ARGUMENTS

Claim 68 is currently amended to correct typographical errors. The October 2, 2007 reply to the Office Action of July 3, 2007 indicates that claim 68 was “amended to remove one of the possible definitions of R<sup>2</sup>”. However, the claim was mistakenly identified as “Previously Presented” instead of “Currently Amended” and the strikethrough formatting to show such a removal was erroneously omitted. The correction of these errors is presented in currently amended claim 68. No new matter has been entered.

Additionally, the fourth paragraph of the remarks/arguments section of the reply filed October 2, 2007, should refer to amended claim 44, not amended claim 1.

For the reasons discussed above, Applicants submit that all now-pending claims are in condition for allowance, and Applicants respectfully request the Office to enter the present Supplemental Reply.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
